A:

**Supermicro X8SIE:**

**One** Processor Intel Core i7 Processor, **i7-860, 2.80GHz, 8MB** Cache

**8.192** MB DDR3 RAM, 1333MHz, Dual Ranked for 1 Processor

**2 x 500 GB** SATA 2 HDD

**IPMI Integrated - Remote Management Card**

**1500 GB** Traffic/month

2x IP

MS SQL Server 2000/2005 fully supported.

Windows 2003 Server - Standard Edition, IIS 6.0

Private Network for all your servers by Host-Ware®

Price: **155 USD** Monthly (quarterly payment), (-10% for yearly payments) → \$1674/year

Setup: **Free**

B:

**Dell PE R410**

**One** Processor Intel **Quad Core Xeon** L5520, **2.26Ghz, 8MB** Cache, Turbo, HT, 1066MHz Max Mem

**4.096** MB DDR3 RAM, 1333MHz, Dual Ranked for 1 Processor (**2<sup>nd</sup> Processor optional**)

**2 x 250 GB** SATA II HDD + Hardware RAID1 (Optional up to 4 x 3.5" Hard Drives up to 1000 GB each)

or: **1 x 500 GB** SATA 2 HDD

**iDRAC 6 Enterprise - Remote Management Card**

**1500 GB** Traffic/month

2x IP

MS SQL Server 2000/2005 fully supported.

Windows 2003 Server - Standard Edition, IIS 6.0

Private Network for all your servers by Host-Ware®

Price: **170 USD** Monthly (quarterly payment), (-10% for yearly payments) → \$1836/year

Setup: **Free**

C:

**Dell PE R410**

**(OUR CHOICE)**

**Two** Processors Intel **Quad Core Xeon** L5520, **2.26Ghz, 8MB** Cache, Turbo, HT, 1066MHz Max Mem

**12.288** MB DDR3 RAM, 1333MHz, Dual Ranked for 2 Processors

**2 x 500 GB** SATA 2 HDD + Hardware RAID1 (Optional up to 4 x 3.5" Hard Drives up to 1000 GB each)

**iDRAC 6 Enterprise - Remote Management Card**

**2000 GB** Traffic/month

**50 GB FTP** Backup (on the same LAN = free traffic)

**Unlimited IP's** (for justified needs, IP's without traffic in 30 days will be revoked)

MS SQL Server 2000/2005 fully supported.

Windows 2003 Server - Standard Edition, IIS 6.0

Private Network for all your servers by Host-Ware®

Price: **250 USD** Monthly (quarterly payment), (-10% for yearly payments) → \$2700/year

Setup: **Free**

D:

**Dell PE R610**

Two Processors Intel **Quad Core Xeon L5520, 2.26Ghz, 8MB** Cache, Turbo, HT, 1066MHz Max Mem  
**16.384** MB DDR3 RAM, 1066MHz, Dual Ranked for 2 Processors

**2 x 750 GB** SATA 2 HDD (or: **2 x 146 GB SCSI**) + Hardware RAID1

**iDRAC 6 Enterprise - Remote Management Card**

**2500 GB** Traffic/month

**100 GB FTP** Backup (on the same LAN = free traffic)

**Unlimited IP's** (for justified needs, IP's without traffic in 30 days will be revoked)

MS SQL Server 2000/2005 fully supported.

Windows 2003 Server - Standard Edition, IIS 6.0

Private Network for all your servers by Host-Ware®

Price: **310 USD** Monthly (quarterly payment), **-10%** for yearly payments.

Setup: **Free**

E:

**Dell PE R710**

Two Processors Intel **Quad Core Xeon L5520, 2.26Ghz, 8MB** Cache, Turbo, HT, 1066MHz Max Mem

**24.576** MB DDR3 RAM, 1333MHz, Dual Ranked for 2 Processors

**2 x 1000 GB** SATA 2 HDD + Hardware RAID1 (Optional up to 6 x 3.5" Hard Drives up to 1000 GB each)

or: **2 x 300 GB SCSI** (Optional up to 6 x SCSI Hard Drives)

**iDRAC 6 Enterprise - Remote Management Card**

**3000 GB** Traffic/month

**200 GB FTP** Backup (on the same LAN = free traffic)

**Unlimited IP's** (for justified needs, IP's without traffic in 30 days will be revoked)

MS SQL Server 2000/2005 fully supported.

Windows 2003 Server - Standard Edition, IIS 6.0

Private Network for all your servers by Host-Ware®

Price: **420 USD** Monthly (quarterly payment), **-10%** for yearly payments.

Setup: **Free**

**Note:**

- Please note, that the **iDRAC 6 Remote Management Card** enable you to have a fully control on the server. So you can for example **restart the server manually, operate in DOS mode**, change the options in the **setup mode**, start & **repair Windows in Safe mode** and you can also install your own Windows Version **from your locally CD-Rom in your Office**. You will never loss the connection with your server at all.
- We recommend clients with more bandwidth needs to call us, so we can arrange the best suitable solution for their requests.
- **For Streaming Options please contact us to offer you many very suitable solutions.**

Best Regards,

Hosam Mousa
